This is a proprietary procurement for the Tennessee Department of Correction (TDOC) for the provision of soft drinks and beverages manufactured by Coca Cola and Pepsi. As such, Respondents must be authorized distributors of Coca Cola and Pepsi products to participate in this event. There are a total of thirty-three (33) line items bid for the contract.

Each vendor can bid on any of the facilities listed which pertain to their service area. All line items are set up by facility and each facility has three lines associated to them. All lines must be bid on per facility to be considered. These line items encompass per case pricing for 12oz soda (all flavors), 20oz soda (all flavors), and 20oz water.

Each facility will be utilizing a minimum of one item associated to their location but are under no obligation to use all three.
